## AGENDA

---

Welcome from CSC and AEIP

*Cristian Ștefănescu, General Manager of CSC*

*Simone Miotto, Executive Director of AEIP*

---

#### Keynote speech

*Cătălin Gheran, Member of the Cabinet of the Executive Vice-President of the European Commission for Social Rights and Quality Skills and Jobs, Ms. Roxana Mînzatu*

---

**Introductory speeches** on the current situation and prospects of VET in the construction sector and other services provided by joint institutions to increase the attractiveness and competitiveness of our sector.

*Cristian Erbașu - Chairman of the Board of Directors of CSC*

*Gheorghe Bălăceanu – Vice-President of the Board of Directors of CSC*

---

#### **Panel 1: Challenges, opportunities and good practices in VET in the construction sector**

*Opening remarks - Kristof Van Roy, Manager, Constructive, Belgium*

One of the main challenges in the construction sector is the lack of skilled labor. How could joint institutions, through effective initiatives and tools, contribute to attracting, retaining and developing the workforce in the construction sector?

---

---

---

---

## Panel 2: The role of VET in the green and digital transition

*Opening remarks – Javier González López, Director of Training and Employment, Fundación Laboral de la Construcción, Spain*

The construction sector is a key sector in the green and digital transition – Rodica Lupu, Manager TEC Cluster "Technology-based constructions"

The lack of skilled workers is one of the big obstacles to digitalisation and sustainable construction in our sector in Europe.

Joint institutions can help in the transition process by funding and/or providing relevant opportunities for the development of green and digital skills.

---

---

## Panel 3: Best practices to make our sector more attractive to workers.

*Opening remarks:*

- *Léna Guyon, Social Affairs Policy Officer, FIEC*
- *Slavica Uzelac, Policy Officer, EFBWW*

Let's discover together proven practices and initiatives to improve the attractiveness of our sector!

---

**Conclusions** – from the CSC and participants
